

- *It's not too late to do something*
- *Don't take the planet For granted*
- *You can do something too, it doesn't matter what you can or can't do, everyone can help*
- *Don't let anybody stop you because no matter how old you are you can still make a big difference*
- *We can save the planet*
- *Don't take the planet For granted*
- *It's not too late to make a difference*
- *Do all you can to stop climate change*
- *Little changes can make a big difference*
- *It's never too late to do the right thing*
- *Together, we can make a better future*
- *Although we are all different ages we can make a change.*
- *Young or old we can make a change*
- *Together we can win*
- *If you ignore things they will get worse*
- *There is no planet B, even though I'm young I can still be a climate champion*
- *We can still do something*
- *Never sit back down in failure. stand up and save climate change and our world*
- *Kids are the hope*
- *It is not too late to act but we need to work together*
